SOUTHERN DISTRICT OF NEW YORK**

---

CONVERGEN ENERGY LLC, et al.,

Plaintiffs,

v.

CASE NO.: 1:20-CV-03746 (LJL)

STEVEN J. BROOKS, et al.,

Defendants.

---

**DECLARATION OF ANDREAS MUELLER**

---

Andreas Mueller makes the following declaration under penalty of perjury:

1. I am the chief executive officer of Downstreem LLC. I base this Declaration on personal knowledge, and submit it in opposition to Plaintiffs' ("Libra") Motion for a Preliminary Injunction.

2. I have been providing IT forensic and consulting services for more than 20 years. I commonly assist clients with data collection, forensic imaging, cloud-based data storing and retrieval, data analysis, and forensic examination. I frequently provide expert testimony on these subjects.

3. The email, Office 365 accounts and all available logs of activity related to an alleged "hack" associated with EuroEnergy Biogas Latvia Limited ("EuroEnergy") were migrated to Libra. If permitted by the Court, I will delete Defendants' copy of these materials.

4. The forensic images of the hard drives from the laptops used by Mr. Theodore Hansen ("Hansen") and Mr. Brian Mikkelson ("Mikkelson") are in my exclusive possession. The aforementioned forensic images will remain in my possession until the Court rules on Plaintiffs' Motion.

5. I have advised respecting the sorting of email for Libra-related information and Convergen Energy WI, LLC (“CEW”)-related information. To do this, I created a back-up of the entirety of the convergenenergy.com email under Office 365. This universe of data was uploaded to Relativity for sorting. The sorting categories include: (1) CEW-related privileged; (2) Libra-related emails; and (3) CEW-related subject to additional review, which are subdivided into (a) CEW trade secret, (b) CEW general business, (c) spam. I conducted a forensic review of the hard drives of Hansen and Mikkelsen and recovered deleted email that resided on the laptop hard drives. These recovered emails were included in the universe of email that were sorted. Approximately 264,000 email were uploaded onto Relativity and sorted. The Libra-related documents have been exported to Libra. The other email categories, except for privileged, can be reviewed by Plaintiffs’ counsel. If permitted by the Court, I will remove the Libra-related email from the Office 365 accounts of convergenenergy.com.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Dated this 4<sup>th</sup> day of September, 2020.

### Electronic Record and Signature Disclosure

## ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Downstreem (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
